

# CLOSING THE ADOPTION GAP AND PROMOTING DIGITAL EQUITY

MONDAY, AUGUST 2, 2021, AT 1:00 PM ET

**Please join us for a conversation with North Carolina Governor Roy Cooper** about his work to close the digital divide, including establishing the nation's first statewide Office of Digital Equity and Literacy.

The interactive workshop will also include an **update on federal action** empowering states and communities to close the adoption gap and **profiles of successful local digital equity initiatives**.
